REPORT**

To the Honorable School Committee  
Manchester Essex Regional School District

We have performed the procedures specified in the Massachusetts Department of Elementary and Secondary Education's (DESE) Compliance Supplement applicable to Massachusetts School Districts to the End-of-Year Financial Report prepared by the Manchester Essex Regional School District (District) for the year ended June 30, 2022. We performed these procedures solely to assist the District and the DESE in evaluating the District's assertion that it has complied with the DESE requirements applicable to the preparation and filing of a Massachusetts School Districts' End-of-Year Financial Report. The School District's management is responsible for preparing the End-of-Year Financial Report. This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report.

Consequently, we make no representation regarding the sufficiency of the procedures specified in the Massachusetts Department of Elementary and Secondary Education's Compliance Supplement applicable to Massachusetts School Districts End-of-Year Financial Report for the purpose for which this report has been requested or for any other purpose.

No instances of noncompliance with the agreed-upon procedures were noted.

We were not engaged to and did not perform an examination, the objective of which would be the expression of an opinion on the End-of-Year Financial Report. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the use of the District and the DESE and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, this report is a matter of public record and its distribution is not limited.
